## Music Awards

The 8th Annual Music Award evening was held in the Waimauku Community Hall on Monday evening. The event was organised as usual by the Year 13 music students who faced a challenging task this year as they juggled a short term with a building construction programme that was all around and through the Music room.

They pulled off a great night where the highlights were the Year 13 group pieces and the new jazz band. Oh, and there were the usual unusual awards presented by Year 13 to their peers. Everybody got something that was well deserved.
