Ellie David Sings at AU

Head Girl Ellie David was a finalist in the Auckland University Singer/Songwriter Scholarship held at the university last night. She had to perform two of her own songs in the competition. In awarding her third place the Dean of Music called her songs poignant. Lead judge Karen Hunter called her voice exquisite. This is one of the most demanding individual performance evenings that a secondary school student can face in modern performance music.

Congratulations!

Science Block Starts

Contractors have erected safety fences and have shifted the canteen in preparation for the start of construction of the Science block. The first stages involve demolishing prefabs 38 and 37, developing a new drive to the Gym and building a new room for our Special Education Unit to replace the one that has to be removed so that the Science block can fit in.

Cunningham construction are the builders and they aim to have the project finished by the end of Term 1 next year.

Construction fences shut off the building site. In two terms time a brand new Science block will stand here.

Road Race is a Family Win

The Boys and Girls Road Race titles were captured on Wednesday by brother and sister Charlie and Ellie David. This is a College first that will be hard to repeat.

A record field of 241 runners tackled the 8km course which runs from the school to Rautawhiri Park, up Inland Road, down Wishart and Garfield Roads, past the cheering Primary school students and back to the College. Most completed the course in under 60mins.

Girls' Soccer Team @ Tournament

Fifteen girls from our three soccer teams made up the squad that represented the College at the Central North Island Soccer Tournament at Papamoia. The girls started strongly winning five games in a row and keeping a clean sheet thanks to goalie Ruby Scott-Smith. In the quarter finals there was a hard game against Baradene lost 4-1. A second loss to Lytton High School saw the girls in the play off for 7th and 8th against Onehunga. It was a close game won on a penalty shoot out at the end. So the overall result was 7th out of 24 schools. A great result for the first tournament the team has attended.

Leonie Masters was voted by the opposition teams as our most valuable player of the tournament. Leonie stepped up from the second XI for the trip and scored a hat trick against Rotorua Girls. Courtney Pirie was the most improved player and top goals scorers were Madeline Shelling and Milly Connor. Ellie David led the team brilliantly. The Coach voted her our top player of the Tournament.
