More Success for our Song-writers

This year our Music students have written and recorded 119 songs in the year so far. Many have been entered in the various music competitions. We have reported our results in the Matariki competition and in Rockquest.

The success continues with three of our students being among the highly commended songs in the Auckland Council "Launch Your Lyrics" competition. Congratulations to Johnny Stewart, Joy Young and Natasha Clayton.

Geographers at Whatipu

Waitakere Ranges Regional Park

At the mouth of the Manukau Harbour the Waitakere Ranges' ancient volcanoes are eroded by tidal currents, the prevailing wind and the west coast weather. The Year 12 Geographers are set the challenge of analysing the effect of wind and water on sand and rock. They have just one day to sort it all out. They have several days to clarify their understanding, sort their photographs and frame their response. It's Geography field work so there is a passionate teacher, busy students, wet shoes, muddy clothes and ice creams and chips at the Huia General Store.
