## Students Leaders 2010

The Student Leaders for 2010 are:

Head Boy; Oliver Meadows, Head Girl; Charlotte Clouston  
Deputies; Karlton Laing and Courtney Grundy  
BOT student representative; Katie Hillebrand  
International student representative; Tze Wee Wong  
Also on the team are; Dylan Raye, Alex Renall, Leonie Masters, Kareem Richards, Benjamin Birt and Melodie Protheroe

On Thursday the leadership team attended Auckland Young Leaders Day at the Logan Campbell Centre. This was the tenth anniversary of the event and Kaipara was acknowledged as one of only eight schools that have attended all ten events.

Speakers included Bruce Pilbrow (CEO of Parents Inc), Pippa Wetzel (TV1 Breakfast host), Nick Tuitasi, (motivational speaker), Jehan Casinder (journalist) and Nathan King (musician). The theme of the addresses was leadership. Jehan Casinder impressed the team with his intense focus on achieving his goal and his encouragement to persist and to work past difficulties towards goals.

However our students were most taken with Nick Tuitasi who spoke passionately and from the heart about releasing individual potential whatever an individual's talent. So impressed that they could quote from his speech:

*"Be careful of your thoughts because they become your words. Be careful of your words because they become your actions. Be careful of your actions because they become your habits. Be careful of your habits because they become your character. Be careful of your character because it becomes your destiny."*
