Outdoor Success for Ariel

Ariel Knight enjoys the challenges of the outdoors. Our Year 13 student has won a silver medal at the Special Olympics in skiing that has earned her selection to a national Special Olympics event at Cardrona Peak in the middle of next year.

That's not Ariel's only challenge. This "can do" student will be treated to a week on the high seas in February when she takes on a Spirit of Adventure voyage in the Hauraki Gulf. This will be a week away from her family for Ariel and she is excited about the prospect of sailing with a crew of students her own age.

Congratulations, Ariel!
