Senior Health Day

Senior students attended five workshops on a range of Health issues on Monday. The themes of the day were developing healthy relationships and dealing with diversity. Feed back from students showed that they learned a lot and that the day was enjoyable and interesting. They found the Amped4 Life session with its hard hitting messages about drugs, friends and alcohol particularly useful. The presenters spoke about ways to say no, ways to get good information and ways to make good choices.

The presenting team at the College Health Day

School Donations

Thanks to all those parents who have made the \$100 per student (\$150 per family) school donation. Your support is very much appreciated.

If you haven't done so yet we would be grateful if you consider making it because it supports a lot of our additional activities and provides the Year Book.

School Subject & Activity Fees

Subject Fees, Sports Fees and other Activity Fees are bills. These must be paid for the activities your children have chosen to take. Please pay these invoices promptly.
