Kaipara Musicians at the Auckland Arts Festival

Two Kaipara musicians were invited to play in the Young Emerging Artists concert in Aotea Square last Sunday. The concert was part of the 2011 Auckland Arts Festival.

Solo performer Avalon Hewitt (left) performed two of her own songs "Treading Water" and "When Stars Collide" and they were well received by the audience which filled the square. So much so that Massey university have asked Avalon to play at a graduation ceremony later this term.

College Head Boy and bass player Chris Kelly teamed up with musos from other schools to play in the Band of Strangers alongside New Zealand funk rock band Supergrove. His bass created the groove and the band blazed out excellent numbers.

Ex student Charlotte Silverstone also played in the concert which highlighted the work of the leading up and coming musicians in Auckland.

Year 13 Biologists at the Liggins Institute

On Wednesday this week the Year 13 Biology students visited the Liggins Institute. This is a research laboratory attached to the Auckland Medical School.

They had the opportunity to carry out complex procedures including isolating genes and gel electrophoresis.

The students also had time to speak with Associate Professor Andrew Shelling and two PhD students. This gave them a real insight into the work that is being carried out at the institute and also allowed them to discuss the educational pathways that lead from Year 13 studies to work as a research scientist.

Zone 3 Swimming Championships

A team of twelve swimmers went to the Westwave Pool in Henderson on Tuesday to compete in the Zone 3 swimming championships. The team; Tara Mansell-Sawyers, Michelle Freshwater, Rangipai Dobson, Stephen Dempsey, Kevin Calis, Keria Paterson, Charlie Stenning, Rachel Connor, Sally Young, Savanah Cox, Billy Bowman and Michael Brown, represented the school with great spirit and determination, gaining solid results in both individual and relay events.

The focus of the teams performance was upon school records. Sally Young recorded the highest distinction of the day by setting four new 14-15 yrs school records in each of the four strokes with Michael, Stephen, Keria and Billy setting a new 14-15 yrs Freestyle Relay record smashing the old time by over 6 seconds. Thanks go to Charlie who worked throughout as one of the official timekeepers for the meet. Swim Team Captains for the year are Sally Young and Billy Bowman.

Well done team!
