Year 9 Literacy Rises Nicely

Each Year 9 student has their literacy levels assessed against the New Zealand Curriculum Levels twice a year. We have just completed the mid year assessment and the news is excellent. All the classes have improved two steps on average, three of the classes have improved three.

The New Zealand Curriculum expects that on average students will rise three steps over two years. Our aim is to get all students into the upper steps of Level 5 ready for Year 11 and the NCEA.

Good Work, Year 9!

Year 12 on High

Year 12 Phys Ed students were on a Ropes course for four days this week as part of their practical PE course. They started with team building and safety work on the ground before tackling the low ropes course at the College. Three days on the high ropes at Carrington followed.

Their mastery of ropes, safety techniques and heights have earned them 9 Level 2 credits towards their NCEA.

Help Kaipara Win the OPC Scholarship

What would you and your classmates do if you had to spend a week living outdoors in your school grounds? Make a short video showing us how you'd survive, and you could win one of ten Genesis Energy OPC Scholarships worth \$5,000.

So the 2011 OPC Kaipara College students did just that and now we need your vote.

Primary School Day

One hundred and sixty Year 8 students took part in a Transition to High School programme designed to help ease the shift to high school for primary school students in the district.

They tried out secondary school life by attending Chemistry, Information Technology and Phys Ed classes. They were accompanied by Year 13 Student Leaders who guided them about the school. There were explosions, colours, animations, games and food in the serious mission of helping students understand secondary school.

Careers Information University Information Employment Opportunities

The College Careers Office has up-to-date information on careers, admission to universities, university open days, scholarships, apprenticeships, specialist areas of interest, courses and employment.

A summary of the latest information is kept on the Careers page of the College Website.

Boys Basketball

The senior boys Basketball team have been having a good season. Last night they beat Pinehurst 34 - 30 to record five wins in a row. Their best win was 63-21 over Rangitoto. These results have placed them in the top pool of College basketball for the rest of the season.

Congratulations!

Senior Health Day

The senior Health Day will be on Tuesday next week. Year 12 and 13 students will attend a programme of presentations and seminars on teenage health matters at school.
