Student Leaders at Anzac Day

The Student Leaders joined many community groups in parading behind the veterans at Helensville's Anzac Day parade. Head Boy, Jarrod Colbert, and Head Girl, Ellie David, laid a wreath at the memorial on behalf of the whole College. After the parade they attended the Community service in the War Memorial hall.

The number of community groups that now attend and lay wreaths on Anzac day has grown enormously over the years. The students are very pleased to see just how significant a community day Anzac Day has become.

Rock Camp

About 25 Kaipara students were among the over fifty musicians who took part in the Rodney Rock Camp during the first week of the holidays. They were joined by musicians from Orewa College and from other schools in the district.

The musos were assembled in brand new bands on the first day and were given the day to start practising together. Two days at the MAINZ Academy in Auckland followed where the band combinations gelled, the students saw a top tertiary music college in operation and got to meet Joel from "Goodnight Nurse".

Then the students had to show their skills over two days of performance. There was a day time gig at Waimauku Primary School and a night gig at Kaipara College. On Saturday the bands were in Warkworth and the final concert was at the Orewa Youth Club, where according to our sources there was the best gig ever.

Productive Gardens

Here we are at the start of May and the Horticultural Classes gardens are still producing peas, beans, carrots and other vegetables. Well done the green finger crews!

Coughs & Sneezes Spread Diseases!

It's the flu season. The best protection is to follow these hygiene rules:

- *Cover your nose and mouth when you cough or sneeze.*
- *Don't cough or sneeze in to your hands without washing them immediately.*
- *Wash your hands for at least 20 seconds with soap and water;*
 - * *Before handling food*
 - * *After using the toilet*
 - * *After playing sport or being outside on the fields*
- *Place all food scraps and litter, including fruit peelings, into the bins.*
- *Don't come to school if you have a cold or the flu.*
Don't forget to ring us and let us know, please!

College Golf Champion

This year's Golf Championship was played at the South Head Golf Club. The course was in excellent condition, the day fine although a strong wind made scoring difficult in the afternoon.

Letitia Wood improved her total by four shots from last year and won the title comfortably from Armand and Darius Claassens. Letitia's total for the 36 hole tournament was 179 while the top boy, Armand Claassens scored 191.

Congratulations!

Mufti Day on Tuesday

For many years the school has supported a student in India via World Vision. In fact over the years students at Kaipara have supported two students through to tertiary education.

Our current student is 9 year old Maisa Marandi who wants to go to University and train as a doctor.

Wearing mufti on Tuesday will cost you \$2. All the money raised is given to Maisa to support his education.

Support Maisa!

We are a Fair Play School

The Fair Play Code says:

- ◇ Enjoy yourselves
- ◇ Play within the rules
- ◇ Respect the referees and umpires
- ◇ Respect the opposition and their supporters
- ◇ Be gracious winners and dignified losers
- ◇ Play hard but play fair

Supporting the College teams is very important. It can lift their performance and give them a buzz.

Sticking to the Fair Play code is important because it allows us to go hard at supporting our team without putting down the opposition. So players and supporters;

"Play Hard, Play Fair"
