## Outward Bound Scholarships

Tina Paulsen and Billy May have won two of the 14 country wide scholarships for a three week, Mind, Body, Soul challenge at Outward Bound. They will attend the course in Anakiwa in the Marlborough Sounds over the next holidays. Billy is looking forward to the kayaking conquering his fear of heights. Tina says the challenge of being away from home in the wild for 21 days will help her pursue her career in Adventure Tourism.

## Coughs & Sneezes Spread Diseases!

It's the flu season. The number of people in New Zealand with flu has increased quite a lot over the last few weeks. We have certainly noticed an increased absence rate recently.

We remind all students and families that the best protection is to follow these hygiene rules:

- *Cover your nose and mouth when you cough or sneeze.*
- *Don't cough or sneeze in to your hands without washing them immediately.*
- *Wash your hands for at least 20 seconds with soap and water;*
  - \* *Before handling food*
  - \* *After using the toilet*
  - \* *After playing sport or being outside on the fields*
- *Place all food scraps and litter, including fruit peelings, into the bins.*
- *Don't come to school if you have a cold or the flu.  
Don't forget to ring us and let us know, please!*

## Senior Examinations

These examinations are compulsory for all Year 11, 12 and 13 students.

They serve two purposes:

1. They award credits towards NCEA in internally assessed standards.
2. They give students an opportunity to practice an NCEA examination for externally assessed standards.

All Year 11, 12 and 13 students have study leave for this week.

School uniform is not required when students attend examinations.
