Whakamana Taihoi Maori

The seventh annual Whakamana Taihoi Maori evening was celebrated in the Hall last night. Whakamana, organized by the Whanau Atawhai Committee, acknowledges the achievements of our students of Maori descent.

It began with a powhiri at 5pm and finished with a wonderful supper. Richard Nahi skilfully MC'd the marvellous evening for the seventh year.

Previous Taumata winners Garin Keane and Savanna Steele spoke about what the Taumata award meant to them when they were at school. Garin presented the awards to Year 9 and 10 students and Savanna to the seniors. Nga Rimao Kaipara kaumatua presented the Taumata Awards.

Thanks to the Tau Te Aroha Noa kapa haka for their great contribution.

The top Awards of the night were:

Whai Mana

Gateway Information Evening

Gateway is the programme that gives Year 12 and 13 students the opportunity to try out jobs and careers that interest them and to get credits towards their NCEA qualification at the same time.

We invite you to an information evening to explain how the programme works and what is expected of students who participate.

AFS Host Family Sought

AFS is an international, intercultural exchange programme that hosts overseas students in New Zealand for up to a year at a time.

AFS Waitakere is looking for two caring host families that are prepared to voluntarily host a student each for the 2010 academic year. This is a great opportunity to make overseas contacts and to learn about another culture while giving a student great New Zealand experience. The two students are:

Asgier from Iceland. He is 17, an outgoing, conscientious student who plays basketball and is quite outgoing.

Elina from Finland. She is 17, ambitious, down to earth and a good student who plays the flute and sings in a church choir.

If you are interested in hosting either of these two students please contact Brenda Skinner, AFS Hosting Coordinator for Waitakere on (09) 818 5520.

The Mobile Dental Clinic Returns

The Lumino Dental Bus had a very successful 4 weeks at Kaipara College last term. It will return in November to complete any unfinished treatments.

It will arrive in time to see seniors students before they leave for NCEA Exams.

If any students have not yet enrolled for free dental treatment with Lumino Dental and they want to, an Enrolment Form can be picked up from the Student Centre.

Oops!

Last week we excited everyone by listing the end of the year as 10 November. It should, of course, have been listed as 10 December. Four more exciting weeks!
