College Day

Year 8 students from local primary schools had a taste of College life with the guidance of some of our seniors last Friday. It is all part of a programme to ensure a smooth transition from primary to secondary school. Parents can get a taste on Open Night, Thursday 22 July at 7 pm.

Planting at Muriwai

Mrs Neville and Ms Howie took a group of twenty one Year 9 students to Muriwai on a planting trip as an acknowledgement of their great work in Science this year. They planted about 1,100 trees around the tennis club and golf course as part of a project to regenerate the native bush. They also got to see the waka which was found in the dunes at Christmas. The organisers were pretty pleased with their efforts and gave the students two free tickets to Woodhill Tree Adventures. Ellie Protheroe and Kieran Moorman won the draw!

Ugly Shakespeare!

The Ugly Shakespeare Company made their annual visit. The lads in kitchen curtain kilts and red wigs started the show with a Ginga of the Year contest. Well done, Micah!

This time we were treated to the Ugly version of Macbeth. The play was a frantic rip through the haunted guilt ridden landscape of Macbeth's family. The pursuit of power can do terrible things to an actor's accent. Still everyone enjoyed it, especially those who knew the play.

The Senior 1 Netball team have just completed an eight week competition involving Senior 1 Netball teams from the Rodney Secondary School District. Games were played on a Monday night – some at Rautawhiri Park but most were away – sometimes to Wellsford. We lost only 2 games, both to Whangaparaoa College and 1 of those games was the final. We had impressive wins over Otamatea, Wentworth, Orewa, Rodney, Mahurangi and Kingsway. The 2nd placing is indicative of the hard work and determination the girls have shown this season.

Well done!
