Two Silver Medals at Culinary Fare

Bianca Miller and Jessica Berger have both won silver medals at the New Zealand Culinary Fare. They entered in the Devonshire Tea section of the competition, a section in which the school has done well in the past. Culinary Fare is the Food and Hospitality Industry's national championships. Secondary students can enter and are judged against the same standards as professional chefs.

Bianca entered the competition last year in the and won a bronze medal in the creative sandwich section. She was very pleased to be able to use the experience to win her Silver medal this year. It was Jessica's first attempt at the competition. Both students found cooking under the glare of open public competition a bit nerve wracking especially having the judges watching them intently.

College Home Economics teacher Trina Smith was also happy with the results. The College has been entering this competition and winning medals for eight years.

Congratulations!

Mufti Day Raises nearly \$1,000

The College has long been a World Vision child sponsor. We are currently supporting our third student, 10 year old Maisa Marandi who lives in India. Each year the Student Leaders organise a mufti day to raise funds for Maisa. This year the mufti day raised close to \$1,000. Nearly everyone in the school contributed a gold coin and more money was raised than the sponsorship requires. The Student Leaders will donate the excess to another good cause.

Thanks everyone!

NCEA Entries & Fees

All students sitting NCEA this year should by now have their **Tax Invoice / Statement for NZQA**. Please check these over carefully with your children.

Remember to check if you are eligible for Financial Assistance. See Mr Greenbrook if you need to know more.

School Fees

Thanks very much to all the parents who have paid their school donation. Your support is much appreciated.

If you haven't made your school donation yet we ask you to consider making it by the end of this term. The funds you contribute to the school go a long way to support the extra-curricula activities that we are able to provide for the students at College.

Whakamana Taiohi Maori

Whakamana Taiohi Maori is our annual celebration evening for Maori students; in fact for all students with a Maori descent line. Whakamana acknowledges all the achievements made by our Maori students during the year.

The evening is run by our Whanau Atawhai Komiti but they could do with some help in putting the night together. We are looking for any parents who would be willing to help organise food, hospitality, decorating the hall or with other aspects of the organisation. Please contact Kerri Babbington at kerri@hwfc.co.nz or Carlin Shaw at cshaw@kaiparacollege.school.nz

HPV Vaccinations Round Three

The third round of the HPV Vaccination programme will take place in the College Library starting at 9.00 am on Friday 3 September.

Don't forget to have breakfast!

Boys Hockey

The Boys' Hockey team is an enthusiastic bunch of players many of whom have just picked up the sport this season. While the squad is mainly seniors, including four 1st XV rugby players, there are also a sprinkling of Year 9 and 10 students in it. They are coached by former Kaipara Hockey player Alex Adams. Its been a tough season. Lots of hockey skills and tactics being learned. Until last week they had not won a game. Then in the pouring rain they came up against top of the table Long Bay College. Wet weather experience kicked in and a short passing game produced a great pass from Nick Hardie to James Cox who scored. For the rest of the game they defended by attacking relentlessly. A frustrated Long Bay went down 1-0.

Great game, guys!
