Young Leos on the Books

The Young Leo's were out in the community again last week. This time to help the Helensville Lions Club held their annual book sale. Six of the Leo's turned out over the two day period and worked hard to keep books in order of subject or author and restock tables as they emptied. The opportunity to also help out in the Lions portable BBQ caravan shows Bailee Exler and Alish Stanton awaiting customers.

Science Block Nears Completion

The new Science block is about six weeks away from completion. The photo shows the new lines and looks the building project is bringing to the College.
