Year 9 & 10 Whakamana

The achievements of Year 9 and 10 students of Maori descent were acknowledged in the junior Whakamana Taiohi Maori assembly yesterday. Students received certificates and gift packs from the sponsoring organisations. About thirty family members were on hand to congratulate their children and to greet their awards with haka tautoko and to join them for morning tea afterwards. The assembly was coordinated by our Whanau Atawhai komiti.

Student performances*

Graduation certificates presented by the Student Leaders

10.30 am Friday, 10 December College Hall

It's a long way up!

Thirty of the top performing students in Phys Ed spent two days on a ropes course. The first day was spent team building on the College low ropes course. On Tuesday morning they got their first look at the seven high ropes challenges that would take them 15m into the air. There was a mix of fear and excitement. Even the safety harnesses didn't quite take all the nerves away.

By the end of the day everyone was buzzing with the charge that comes from conquering fear. When they were asked to name the day's highlight most said the leap of faith which required them to climb a pole, stand on a small platform and jump towards a trapeze. However many also added that the teamwork and trust in friends that built up during the two day course was an additional highlight.

2011 Summer Youth Camp Highams Beach 17-21 January 2011 12 - 17 year olds

Experience survivor challenges, the fear factor, fishing, kayaking, drama, music, the diva dance party, orienteering a night in the bush, beach sports and much more.
