Tots n Toddlers n NCEA

Saturday 29 May saw keen students spend a day on a Plunket taught Tots and Toddlers Course. Plunket also kindly subsidised the cost of the course for which the College is very grateful. The course offered the students the chance to work with a real live baby and a real live toddler! In addition students earned Level 2 credits towards their NCEA.

This experience of learning how to look after babies and toddlers and finding out how they learn is invaluable for those intending to babysit or enter an Early Childhood career. Student feedback was overwhelmingly positive for the course which started at 9.00 am and finished at 3.00 pm.

Students Meet Professionals

On Friday last week the Year 13 biologists had the opportunity to visit the Liggins Institute. This allowed them to work in a research laboratory, carrying out tasks such as gene cloning and gel electrophoresis. The group met up with University science students and also Professor Andrew Shelling. They had the chance to quiz him on his research and find out a little about what it means to be a real scientist!

- Year 12 and 13 students are on study leave next week.
- Students must attend all their exams.
- Mufti may be worn to the exams.
- Year 12 students who wish to attend their Year 11 classes may do so but they must be school uniform.
- Tests and exams for Year 11 students are part of normal class time.

Exam Timetable

		Tuesday 8 June	Wednesday 9 June	Thursday 10 June	Friday 11 June
9 - 11 am	Year 13	English Accounting Graphics Design	Calculus Photography	Statistics Painting Economics Computing	Geography
