Surfing Success

Rain with light NNE winds and a swell up to one and a half metres greeted students from more than fifteen schools across the Auckland region at the 2010 Auckland Regional Scholastic Surfing Championships. Using a repechage format competitors had a chance to show their stuff, and they didn't disappoint.

Typically the U16 was fiercely contested with Elliot Paerata Reid, (Mind Alive) 1st, Tane Wallis (Henderson) 2nd & Taylor Louie (Green Bay) 3rd all showing off their local knowledge. Sam Haven (Kaipara College) fresh back from the warm waters of Indonesia was 4th. In a very tight contest his younger brother Blake Haven took out the U14, with Tom Mason (Takapuna College) 2nd and Sam Poulter (St Kentigerns College) 3rd.

Congratulations!

Strike Notice

The secondary teachers' union, the PPTA, has given the Board of Trustees notice of their intention to carry out a one day strike on Wednesday 15 September.

The strike is to protest at the breakdown of the secondary teachers' salary negotiations with the Ministry of Education.

While the school will be open that day to protect the interests of non PPTA staff, we ask parents to keep their children at home. Any students that arrive at school will be looked after for the day. There will be no buses for College students. The buses will run for primary school students as normal.

NCEA Revision Classes

Revision classes are available for students in most subjects during the next holidays. They are run by Unitec at their campus in Waterview.
