## Musicians Leave for Europe

Thirteen students and four staff from the College are about to embark on a European History Music trip. It has taken three years of fundraising, community and parent support to raise the nearly \$150,000 needed to make this trip. The group is a combination of Year 11, 12 and 13 music students.

The group leave on Saturday 9 July with their first destination, after quick stops in Brisbane and Dubai, being Vienna, Austria. From there they go to visit Salzburg, Munich, Paris and finally London.

The tour's programme has been developed to take a chronological look at the evolution of western music. Everyday is full of sights and musical experiences and is planned as a trip the students will never forget.

Vienna will include classical concerts, venues and sights from the musical eras of around 1450AD to 1750AD. Salzburg will focus on music between 1750 and 1900, Paris from 1900 to the 1950s and London from the 1950s to today.

There will be a number of special places and events the group will visit including; Baroque and Classical concerts in Vienna, a Sound of Music tour in Salzburg, a moving day visit to Dachau in Munich, Jim Morrison's grave and EuroDisney in Paris, and the Rock Experience in London. There will also be lots of palaces, monasteries, shops, art, architecture, food, live concerts, gigs and maybe even chance to play a few gigs themselves.

Each member of the group will also complete a European challenge set by other members. The group will be in contact with the college on a regular basis with photos and tour updates.

*Bon Voyage!*
