Mufti Day Raises over \$1,000

The Student Leaders organise this mufti day each year to support our student, 9 year old Maisa Marandi, in India. This is a traditional event in the school year and Maisa is the third student the College has supported. This year the school raised just over \$1,000 towards his living costs and educational expenses.

Nearly everyone joined in although as you can see a couple of students forgot. For the staff who join mufti day it means school uniform as the photo below shows. Our international and exchange students also support the fund raising effort.

Thanks everyone!

Gateway Opens Career Possibilities for Students

Parakai Home is enjoying having Gateway student Steven Chan doing his work (Chef) exploration at the residential home for the elderly. The HSI (Hospitality/Service Industry) who oversee students training as Chefs, have now been out to the Home and approved it as a suitable training establishment. Felicity is Steven's training tutor and in due course will become an HSI assessor herself – all due to the involvement with the Gateway programme.

Steven is well liked by all the residents, especially the men who enjoy having another male on the "staff" to talk to. As part of Steven's work experience at the home, he gets to respond to special dietary requirements, preserving, cooking including mains and sweets and purchasing of food supplies. Steven will come out of this experience with his Level 2 Cookery Certificate.
